VTSS Data Collection Timeline for Divisions and Schools

The following is a list of the data collection periods scheduled for the 2024-2025 academic year.

New School Entry

- **Opens:** Monday, September 9, 2024
- **Closes:** Wednesday, April 30, 2025
- **Schools:**
  o Already established VTSS divisions that want to add additional schools
  o VTSS 8 demonstration schools
- **Instrument:** Initiating School Data Portal

Midyear 2025

- **Opens:** Monday, February 3, 2025
- **Closes:** Monday, March 31, 2025
  o Extensions will be given through the month of April.
- **Instruments:**
  o Division Capacity Assessment (DCA)
    ▪ Required for VTSS divisions that entered VTSS before the 2023-2024 academic year
    ▪ Only one Division Coordinator (DC) per division will submit DCA data
  o Division Systems Fidelity Inventory (DSFI)
    ▪ Required for VTSS divisions that entered VTSS during the 2023-2024 academic year
    ▪ Optional for all other VTSS divisions already participating in or that want to participate in the DSFI pilot
    ▪ Only one DC per division will submit DSFI data
  o Tiered Fidelity Inventory (TFI)
    ▪ Required for all VTSS Schools

End-of-Year 2025

- **Opens:** Monday, May 5, 2025
- **Closes:** Friday, July 11, 2025
  o Extensions will be given through the month of August.
- **Instruments:**
  o Family Engagement (FES), Level of Satisfaction (LoS), and Value of Resource (VoR)
    ▪ Required for all VTSS divisions
    ▪ Only one DC per division will submit FES, LoS, and VoR data.
  o School Profile (SP) and Outcome Summary Data (OSD)
    ▪ Required for all VTSS Schools

Perceptions of Impact Survey

- **Opens:** Monday, March 10, 2025
- **Closes:** Friday, April 11, 2025
- **Schools:** Two schools per VTSS division will be randomly selected for participation. Note, the random selection process will not include schools that did not submit the TFI during the Midyear 2024 data collection period.

Focus Groups

- **Fall/Winter 2024 –** Dates to be determined
- **Divisions:** VTSS Cohort 8 Divisions that have transitioned from Exploration to Installation
