

VTSS Strand 5, Starting to Sustaining October, 2021 Vision & Data worksheet

Draft Vision: _____

To bring this Vision to implementation, consider what action plans, skills, resources and motivators are needed in these 6 family engagement components. Consider what data we have and what data we may need to collect now (before Dec.) and long term.

Family Engagement Component & Guiding Question(s)	What actions, skills, resources and motivators are needed to address Vision in this area (including those we have in place and those we need yet)	Data we have now	Data we need (use notation of 'ST' for data that we can collect before December and 'LT' for data we can collect longer term)
<p>Positive Relationships Do families have welcoming, respectful, genuine and positive experiences with the school and division?</p>			
<p>Family Empowerment Are families valued, encouraged and supported to be equal partners in their children's education? Are efforts to empower families ongoing, consistent and authentic?</p>
